

• Professional Safety Support

Get fast answers to your safety questions from highly trained safety professionals.

• Legislation Made Easy

Stay up to date with ever changing legislation and standards with clear and concise summaries and checklists.

• Save Time And Stress

24/7 access to an extensive library of ready-to-use fact sheets, safety webinars and legislative summaries.

"How often should we be doing safety inspections?"

"How close can our workers be to an operational forklift?"

"Are we storing our chemicals properly?"

"How close can our workers be to an exposed roof edge without a harness or handrails?"

"When should we review our risk assessments?"

What You Get

Common Questions

PHONE AND EMAIL SUPPORT

Get fast and accurate answers to your safety questions. Simply call or email with your question and our team of safety professionals will give you the answer. Never second-guess your safety decisions again!

Fact Sheets & Bulletins

Monthly emails with a ready-to-use safety fact sheet or a bulletin on a trending safety topic.

Legislative Updates

Quarterly legislative updates summarising the key changes to workplace legislation and standards (all Australian states and New Zealand).

Safety Webinars

Get the latest safety news and tips on our monthly safety webinars. Short, sharp and practical (typically 20 to 30 mins).

Newsletters

Monthly newsletters to keep you up to date with the latest safety issues, key safety topics and legislation changes.

Online Members Area

24/7 access to an extensive library of safety material. You'll find legislative summaries and checklists, fact sheets and safety bulletins.
